

Third Annual Mammoth Winter Biathlon

Saturday, 27 March. Biathlon Clinics. Our staff of former US Biathlon Team Members will help you be a better biathlete. Areas covered will include range and rifle safety, basic shooting instruction, improving your shooting accuracy, transitions from skiing to shooting and from shooting to skiing, and the all-important biathlon mind-set. No prior shooting or biathlon experience necessary. Basic cross country ski skills required. Ages 8 to 99. Cost is \$50 for ages 20 and up and \$38 for ages 8 to 19. Cost includes Tamarack day trail pass. If you have a Tamarack season pass, cost is \$24 for all ages. Rifles and ammunition are provided. Clinics last one-and-one-half hours and start at 0900 and 1300. Clinic is not mandatory.

Sunday, 28 March. Third Annual Mammoth Winter Biathlon. Range, Start, and Finish at the Pack Station on Lake Mary Road. Range open 0800-0900 for rifle zeroing. This year we will have six separate heats. We won't start a heat until the proceeding heat is complete. Heat #1 will start at 0900, followed as quickly as possible by the other heats. Please see Registration Form for heat information. Immediately after the last heat, we will have the Awards Ceremony, either at the Pack Station or at Pokonobe. We will provide hot soup, bread, and maybe an encore of last year's pancakes at the Awards Ceremony. After the Awards Ceremony, we will take down the range.

Stay tuned for information on a possible Saturday evening event. Also, parking and shuttle bus information will be coming soon. If you have any biathlon questions, please call me at 760-934-7665.

We have a T-shirt this year. You can order on the Registration Form or buy at bib pickup and the Awards Ceremony.

Tamarack Lodge and Cross Country Ski Center is hosting our event. Lodging packages are available at Tamarack. Please call 760-934-2442 for information.

If you want even more biathlon, don't forget the 10th Mountain Division Biathlon on Sunday, 21 March, this year at the new range at Northstar XC.
